ABOUT BOARD AND BATTEN

Board and Batten is a classic vertical cladding panel that adds depth, character, and timeless appeal to any building.

- ✔ Available in 26 GA and 24 GA
- ✔ Coverage options from up to 12"
- ✔ Offered in all standard colours
- ✔ Available in our Printech series woodgrain metal – get the look of wood with the lifetime of steel
- ✔ Woodgrain embossing helps eliminate the natural oil canning of steel (10" coverage only)
